Temperance

Temperance is having self-control of our thoughts, words and actions and saying no to things that we enjoy but are excessive or wrong for us. This can be not saying something nasty, eating well, or limiting our use of social media. Many of the saints practiced temperance, which says no to temptation and puts you in control.

IMPORTANT INFORMATION FOR ALL PARENTS

eSAFETY - NEW ONLINE RESTRICTIONS

From 10 December 2025, age-restricted social media platforms will have to take reasonable steps to prevent Australians under 16 from creating or keeping accounts. Find out how social media age restrictions can help you support your child's online safety.

Quick facts

- The age restrictions are likely to apply to Facebook, Instagram, Snapchat, TikTok, X and YouTube, as well as other platforms.
- Under-16s will still be able to see publicly available social media content that doesn't require logging into an account.
- **You will still need to be vigilant and monitor your child's online usage.**

Find out more general information at [eSafety's social media age restrictions hub](#).

STAFFING PLANS FOR 2026

Part of this work involves coaching for teachers. We strive to be our very best as teachers so that all our students achieve success.

Thank you Mrs Jamieson for helping to lead this vital work in our school.

SAFETY & WELLBEING

The Digital Landscape

By the eSafety Youth Council

EDITION 1 - SEPT 2025

Straight from the Youth Council group chat - written by young people, for young people. Here's what you need to know about online safety this term.

ONLINE SAFETY IN THE NEWS

Big change coming! From mid December, under 16s won't be able to have accounts on some social media platforms.

More young people are making reports to eSafety when experiencing online harms. No one should have to deal with it solo, support is always there.

ONLINE MEDIA IN POP CULTURE

Heartbreak High (M15+) is chaotic in the best way - friendship drama, break-ups and online chaos. It's a reminder of how fast things can spiral online, and while it's fiction, the risks are all too real.

QUESTION
What online safety red flags did you spot? How would you handle it if it happened at your school?

DIGITAL WELLNESS TIPS

Use the 'not interested' or reset algorithm button to clean up and balance your feed.

Avoid doomscrolling before bed - it disrupts your sleep cycle. Podcasts, journaling, and reading are good alternatives!

Use **Do Not Disturb** or **Focus Mode** when you need to concentrate.

IN FOCUS: SEXTORTION

WHAT IS IT?

Sextortion is a form of blackmail where someone threatens to share a nude or sexual image or video of you unless you give in to their demands.

WHAT CAN YOU DO?

Tell someone you trust and report it straight away. Under 18s can report to **ACCCE**, 18+ can report it to the platform. If the image or video is shared report it to **eSafety**.

THINGS TO THINK ABOUT

Blackmailers can be anyone (strangers or peers) so be mindful of who you meet and talk to online. They can hide behind fake profiles.

Stop all contact and do not pay the blackmailer or give them more money or intimate content.

Keep the receipts - take screenshots, photos or screen recordings of messages and profiles so you have evidence to report.

It's never your fault. You're not alone and help is always there.

DID YOU KNOW?

- Cyberbullying reports to eSafety have **increased by 450%** in the last 5 years.
- **1 in 3** young women and **1 in 5** young men have experienced online sexual harassment.
- **Australia's eSafety Commissioner** is a world-first government regulator focused solely on online safety.

SPORT NEWS

The Best You Can Be!

Last Thursday, The Dragons 'The Best You Can Be' team visited our Year 3-6 students as part of their health program. They provide a resource which aims to assist teachers in encouraging children to make positive choices around health and wellbeing. Focus topics within the resource include the importance of being active, tolerance, respect and inclusiveness, the importance of sleep, screen time management, hydration and nutrition.

The students really enjoyed their NRL activities with players Courtney Crawford and Keele Browne.

Rural and regional school travel

Apply online for free school travel in rural and regional NSW. You only need to complete one form, even for journeys using more than one operator.

Who can apply?

To be eligible for free school travel, students may need to live a minimum distance from their school:

Years K-2 (Infants)

There is no minimum distance.

Years 3-6 (Primary)

More than 1.6km straight line distance or at least 2.3km walking.

Years 7-12 (Secondary)

More than 2.0km straight line distance or at least 2.9km walking.

Who needs to apply

You only need to apply if the student has never been approved for free school travel before. Students in a shared parental responsibility situation (e.g. joint custody) should submit a separate application for both addresses.

How to update your details

You need to update student details online if the student is changing their name, address, school or campus, or their Transport operator. You can update them at transportnsw.info/ssts-update

Frequently asked questions

Does the approved free travel include travel outside school hours?

Approved free school travel is only for travel to and from school. So for travel after hours, on weekends or during school holidays, students will need to buy a ticket.

What if there's no public transport in my area?

In areas where there is no public transport, you may be able to get a subsidy for driving the student to school. For details, visit transportnsw.info/school-students

How do I apply if the student needs to travel from two addresses because the parents live separately?

Each parent (or the student if aged 16 or over) needs to apply separately for each address. The same minimum distances apply.

How to apply for free travel for the first time

You can apply for free school travel for next year from the start of Term 4 this year.

Step 1

Once you have enrolled your child at the new school, apply online by giving your home address and telling us which bus company the student needs to travel with between home and school. You can apply online at transportnsw.info/school-students

Step 2

The school then confirms to us that your details are correct.

Step 3

We will then work on your application. You will get an email confirming if the student is approved for free travel. If so, we will tell your local bus company who may send a school travel pass (if needed) to your school or, in some cases, the bus company will contact you directly about travel arrangements.

A parent or guardian must apply for students aged 15 years and under. Students who are 16 years and

over must apply for themselves.
